

EDUCATION

| Degree | Specialization | Institute | Year | CPI |
|-----------|-----------------------------------|----------------|--------------|------|
| B.Tech | Computer Science & Engineering | PES University | 2023-Present | 9.00 |
| HSC TSBIE | Physics, Chemistry, & Mathematics | Turito College | 2021-2022 | 8.76 |
| SSC CBSE | - | Silver Oaks | 2010-2020 | 8.9 |

TECHNICAL SKILLS

- **Languages:** Python, C, JavaScript, React, Go, MongoDB, Assembly (Beginner), Verilog (Beginner),
- **Tools:** VS Code, Git, GitHub, Linux, WSL, ThunderClient, Postman

WORK EXPERIENCE

- **Software Intern** [CodeBerry] Jun-Present 2024
 - Coordinated in a team of six to in a new startup who provide services in the fields of web development

PROJECTS

- **Rust based File Explorer** Feb-Mar 2025
 - A command-line file explorer built from scratch using Rust. It allows users to navigate directories, open files, and perform basic file operations efficiently.
- **Rust based File Explorer** Feb-Mar 2025
 - A lightweight text editor built using Rust, featuring syntax highlighting, basic editing functionalities, and a responsive UI for improved user experience.
- **Student Hub** Oct-Nov 2024
 - A web-based community platform where students can discover ongoing projects, collaborate on new ideas, join startups, or find internship opportunities. Built using React, Node.js, and MongoDB.
- **DevLink** Dec-Jan 2024
 - An all-in-one tech hub designed for developers to discuss technology, share knowledge, and network with like-minded individuals. Features include forum discussions, private messaging, and user profiles.
- **LeetCode Backend** Oct-Nov 2024
 - A backend system implemented in Go that mimics LeetCode's problem-solving and submission functionalities. Supports user authentication, code execution, and performance tracking.
- **User & Product Management System** Sept-Oct 2024
 - A management system written in C that allows users to register, manage products, and receive personalized product suggestions based on previous purchases.

POSITIONS OF RESPONSIBILITY

- **Logistics Team Member – Maaya PES University** Assisted in organizing and managing logistics for the university's annual Maaya event, ensuring smooth coordination of resources, schedules, and event operations. Oct-Nov 2024

EXTRA-CURRICULAR ACTIVITIES

- **Hobbies:** Badminton, Guitar, Swimming, Drawing,
